

PRATAP PUBLIC SCHOOL, KARNAL

Dear Students

The Lockdown has impacted almost all sectors of the society but surprisingly not education. Because educators world over saw the crisis not as a problem but as an opportunity to learn new craft, strengthen existing skills and build capacities to navigate through the crisis. Thus, in no time they evolved themselves from Conventional teachers to Virtual teachers.

The overwhelming support of the parents during this period has fortified the teachers' resolve to devise new ways to reach out to their students so that learning activities continue unhampered.

Now it's time for the teachers to assess and gauge the output of these online teaching-learning classes.

The Mid Term Online Exams of the School will begin from 14th September 2020.

The Exam for each subject will be in two parts.

- The first part will be purely objective and will be conducted through Google Form.
- The second part which is subjective will be a pen paper test.

The students will be required to submit the pdf of the answer sheets within 20 minutes of completion of the test.

We solicit parents' support to ensure that the child gets congenial environment to write the examination. Parents are also requested to submit the hard copies of the answer sheets in the school office within five days of the exam for timely evaluation.

For ease of execution, the exam will be conducted in two slots.

During the exams, the teachers would be available online for a minimum of two hours on intermittent days to take your queries and address your problems.

Hope you all take the examination in the right earnest and spirit.

Wishing you a world of immense possibilities and opportunities to fulfill your dreams!

All the best!

Yours sincerely
